Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Friday 15 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and sunny. Cooler with light winds.

Today:
A bright with lots of Autumnal sunshine but feeling cooler and fresher than recently especially in the shade. Perhaps more cloud at times around the north coast. Light winds. Maximum temperature 11 deg C (52 deg F).

Tonight:
A dry and clear start and feeling quite cold but cloud increasing form the south later in the night with some light and patchy rain by dawn. Minimum temperature 6 deg C (43 deg F).

Saturday:
Strengthening winds with cloud building during the morning and some afternoon rain likely for most places. Maximum temperature 14 deg C (57 deg F).

Outlook for Sunday to Tuesday:
Drier and brighter on Sunday but still quite windy. Then an unsettled spell of weather to start the new week with milder conditions, windy with periods of rain.
